Expansion Plan Is Discussed Here By Utility Ditrict

New Switching Plan Will Be Studied To Add To Service

In preparation for an expansion of its service, the board of directors of the Truckee Public Utility District passed a resolution to "undertake a program of expansion of its electrical services" and "undertake the acquisition and construction of such additional facilities and appurtenances as may be necessary."

The board authorized the hiring of Rogers Engineering Company of San Francisco to draw plans and specifications for a new switching arrangement for the district at the sub-station of the Sierra Pacific Power Company. The new switching arrangements are made necessary, Manager C. Edmunds said, by the constantly growing load of the district during the past 25 years or since the ones now in use were installed.

Ernest A. and Emile J. Atkinson of Grass Valley met with the board relative to the purchase of an acre of land along Highway 89 near Donner Creek for a site for a drive-in restaurant. The board deferred action pending information from the division of highways on a proposed change in the channel of Donner Creek.

Donald A. Lawrie, right of way agent for the division of highways appeared before the board regarding various parcels of land to be purchased in conection with the building of the new freeway. Tentative agreement was reached on the land in the McGlashan Subdivision but other parcels were laid over for further study.

Manager Edmunds said a study was being made relative to reduction in certain rate schedules and that regulations regarding the electric service was being drawn up for consideration before the first of the year.

A management-labor agreement for the benefit of employes is also being proposed.

Two new street lights on Vista avenue in Gateway have been requested. The cost to be borne by the residents there will be $400 for the underground wiring, poles and lights.

Two Are Held On Boat Theft Count

Donald M. Lushenko, 26, and Robert Gilette, 25, were arraigned on a grand theft charge as they appeared before Judge F. W. Wilson in the Truckee Judicial District Court Monday.

The two are held in connection with the theft of a boat, motor and trailer, valued at $1500 stolen during the summer from Charles Robarts and Ken Gordon at Donner Lake.

They were arrested in Sacramento by police of that city and returned to Nevada City by Deputies Roy Waters of Truckee and Frank Gallino of Nevada City. They were held under $2000 bail.

TAHOE SAFETY GROUP FILES STATE PAPERS

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the Lake Tahoe Safety Council, a Nevada organization, has filed articles to become a non-profit corporation in California.

The group listed its California agent as Robert M. McLane, P.O. Box 711, Tahoe City.

TWO NEW MEMBERS JOIN GIRL SCOUTS

Two new members, Judith McGwinn and Wilana Curran were welcomed into Donner Troop of Girl Scouts at the Tuesday meeting held in the Veterans Memorial Hall.

Linda Giovannoni and Dorette Rose were presented with their three-year pins during the session.

The group meets each Tuesday afternoon and girls interested in becoming members are cordially invited.

Speaks To Clubs

Mrs. Fred Pedley is spending this week in the Santa Barbara-Ventura, Morro Bay area visiting Federated Clubs, speaking to them on traffic safety and assisting them in setting up community action programs for traffic safety. Mrs. Pedley represents the California Federation of Women's Clubs as chairman of their state division of safety. She will be on itinery throughout the state in this capacity.

Move To New Home

Mr. and Mrs. Robert Mosby and their three children are moving into the new home they purchased in the Donner Trail Subdivision, according to Eve Popovich, developer of the tract. Mosby is assistant manager for the Denney Logging Company here.

Seven Candidates For Homecoming Queen Are Chosen

Last Thursday ,the Block T of Tahoe-Truckee High School announced to the student council the seven candidates for homecoming queen. They are, from the 12th grade, Sheila Fanger and Joyce Hallett; 11th grade, Koby Kiser, Shirley Taylor and JoAnn Van Hooser; 10th grade, Judy Collins: and from the 9th grade, JoAnn Pomin.

Ballot boxes will be placed around the schol with each girl's name of them. The whole student body may vote for the girl they wish queen. A vote is one cent, and the students may "vote" as many times as they wish.

At the GAA and Block T rally on Friday the queen will be announced with the runner-ups as her attendants. "Trem" will also be there to help the student body with his school spirit.

Saturday, the big day, during the half of the Wolverine-Lovelock Mustang game the queen and her attendants will be presented. The band will also play, adding to the excitement.

The homecoming dance sponsored by the GAA and Block T will end the week. The dance starts at 8 p.m. and ends at 11 p.m. The entertainment during the evening will be the crowning of the queen by the football captain, Dean Holbrook.

The whole day and evening promises lots of fun and good entertainment.

BOBSLED RUN WILL HINGE ON DEMAND FOR 1960 OLYMPICS

There is a possibility that California may have to build a bobsled run in Squaw Valley, despite a recent announcement that this sport would be eliminated from the 1960 Winter Olympic program.

A press dispatch from Lausanne, Switzerland said that Otto Mayer, chancellor of the International Olympic Committee, has announced that if 12 nations formally declare before next spring that they will enter teams in 1960, the event must be returned to the program.

Mayer added that he did not believe this likely.

Following the announcement by the California delegation that the run would be eliminated a number of other centers including Lake Placid, N.Y., Garmisch, Germany and St. Moritz, Switzerland offered to sponsor this event. Mayer has told them definitely that they cannot do so.

Maintenance Station To Be Improved In Truckee

A division of highways survey party has been assigned to obtain information for the planned expansion of the Truckee maintenance station, District Highway Engineer Alan S. Hart disclosed in Marysville this week. The party is headed by Don Johns.

The party will establish right of way ties and cross-section the area to secure information for leveling which will be done prior to other improvement and expansion work that will be required by the construction of a four-lane freeway in the Truckee area.

POSTSCRIPTS STOP AS SWANEE LEAVES

The Tahoe Postscripts which during the past year have been written for the Sierra Sun by Mrs. Eleanor Swanson (Swanee) are being discontinued.

Swanee is leaving next week for Piedmont where she will remain during the winter.

Before her departure she expressed her friendly good wishes to all the Sun readers and bid them a cheery adios.

Tahoe City vicinity news will continue under the by-line of Mrs. Naomi McLane, the regular Sierra Sun correspondent.

FORMER RESIDENTS HAVE ANNIVERSARY

Mrs. Henry Williams of Sacramento wrote that her husband celebrated his birthdate on September 21 and theyare looking forward to their 35th wedding anniversary to be celebrated on December 16. Included in the December observance is their cat, Mitzi who will have reached the ripe old age of 14 years.

The couple sent their good wishes to their local friends via the Sierra Sun.

Prison Escapees Nabbed Here In Thrilling Capture

Wounded Con Forces Reno Doctor To Treat Him At Gun Point

An incident which matched many movie thrillers ended in Truckee at 1:30 a.m. Monday morning with the capture by highway patrol officers of two convicts who a short time before had held a Reno doctor at gun-point to force him to administer aid to one of the two who had a bullet wound in his left arm.

Dr. Clarence Smith had been called to a Reno motel to treat Paul David Wiggins, 28. The latter's companion, Willis Raymond, 31, held a gun on the doctor who administered first aid. The pair warned the doctor to keep silent and fled.

A description of the car was sent to Truckee and a short time later the car was spotted at the Standard Station on the main street. Patrolmen Carroll Maynard and Ray Carpenter approached the vehicle where they found Wiggins and Raymond asleep and a hitchhiker, John Tuff of Reno driving.

Wiggins told the officers they were lucky to find him asleep as he would have been glad to shoot it out.

Deputies Sheriff Emory Lander and Ralph Ayala assisted in questioning the pair.

Both admitted being escapees from the state prison at Chino. They did not explain the wound in Wiggin's arm nor where they obtained the three short-barreled .38 revolvers found in the vehicle.

Sacramento authorities came to Truckee and returned the pair to that city. Both had resided there.

Travel Drops But Truckee Still High

Although Truckee slipped back into second place as a port of entry into California during the month of September the local quarantine station of the department of agriculture still maintained a high percentage among the state's 18 stations.

Last month 64,764 autos, 4287 trucks and 796 buses were checked at the Truckee station, compared to last September's 67,528 cars, 3291 trucks and 851 buses. The drop from the August, 1957 figure was nearly 24,000 cars.

The only station to exceed Truckee last month was Yermo, which reported 76,351 autos, 3094 commercial vehicles and 547 buses.

Meyers on Highway 50 last month checked 28,201 cars, 364 trucks and 21 buses, a drop of some 4000 vehicles from the August figure and a drop of about 4000 from the September, 1956 total.

The drop locally as compared to last year may be accounted for the construction work now going forward on Highway 40 between the state line and Colfax.

SKI PICTURES WILL BE SHOWN IN RENO

Local ski enthusiasts will be interested in the announcement from the Reno Ski Club that the Warren Miller show for 1957 will be shown at the State Building in Reno at 8 p.m., October 29. Bill Parish, president of the club, has notified local skiers of the forthcoming attraction.

GREAT BOOKS CLUB HOLDS TAHOE MEET

The Tahoe Lake Elementary School meeting of the Great Books Discussion Group was a productive experiment and in addition to the regulars, two visitors were present for the first time and others returned after being absent for some time. Mr. and Mrs. Robert McLane are leaders for the October 23 meeting to be held in the Community Center Library in the high school.

Blaise Pascal's Pensees will be under discussion.

Attend Dinner—

Mr. and Mrs. Wayne Poulsen of Squaw Valley were among those attending the Placer County Realtors dinner at Rainbow Tavern Tuesday night.

To Europe—

Jerry Zunino said that he expects to leave for Genoa, Italy, where he will visit his family for an indefinite stay.

SUNBEAMS

By WALTER M. BARRETT

An enthusiatic group of local people is appealing for support of a plan to provide this immediate community with a year around recreational center. This would include such facilities as a golf course, swimming pool, skating rink and tennis courts. The group, terming themselves the Truckee Park Committee, is circulating petitions to request the utility district to provide the necessary land adjoining the proposed new freeway near Donner Creek at the Truckee Tahoe Wye. There can be no question regarding the desirability of this project, and we believe it worthy of united support. Originally, the entire area from Donner Monument to Gateway Park on both sides of Highway 40, was purchased by the district for the specific purpose of providing a public park. Since that time, the district has sold most of the land and the remaining acreage is being sought for commercial purposes. We believe that the 90 or so acres asked by the Truckee Park Committee should be reserved for park purposes. It may be true that the district could use the money if this land was sold. It would probably bring a tidy sum and the money might be well spent, but one of these days we will find ourselves without land on which to provide this necessary community services and then it will be too late to plan. We would like to suggest that this 90 acres be set aside now and developed when possible.

SCHOOL BOARD TO OPEN BIDS TUESDAY

There will be a special meeting of the governing board of the Tahoe-Truckee Unified School District on Tuesday, October 22, at 8 p.m. for the awarding of a contract for development of a portion of the Tahoe-Truckee High School site, and the new Truckee elementary school site located directly west and adjoining the high school site.

The contract takes into consideration only site development and it is expected that building contracts for the two structures can be started early in the spring. Superintendent John Corbin declared.

$2,800 BURGLARY IS REPORTED AT LAKE

KINGS BEACH—Sheriff William Scott of Placer County reported burglars obtained $2,800 in loot from the Buckhorn Restaurant at Kings Beach last weekend. A safe was forced open and $1,200 in currency and $1,600 in jewelry taken. Five cases of liquor also were stolen. The burglary was discovered by Allen R. Templeton, the proprietor.

LOST HUNTER FINDS HIS WAY TO SAFETY

AUBURN—A search for Philip R. Duran, 42, Troy, Placer County, deer hunter, was called off when Nevada County sheriff's officers notified the local authorities he walked into Cisco, Placer County.

The report gave no details as to how Duran survived the storm which swept the Sierra Saturday night and yesterday.

Duran's wife reported him missing yesterday morning.

He and his brother-in-law, Chester Dobek of 2412 Cathay Way, Sacramento, and Paul Baino of 2338 Bell street, Sacramento, went hunting Saturday morning and the Sacramento men returned later in the day. They were not concerned about Duran's not joining them because he lives in the area and supposedly was familiar with it.

Three posses searched for him without result and the hunt was to be resumed on a larger scale when the report he was safe came in

Graysons Girl—

Mr. and Mrs. Kenneth Grayson of Long Beach became the parents of a daughter the latter part of September, named Wanda Elaine. Mrs. Grayson is a sister of Mrs. Jack Ellis and the family formerly lived here.

State Agrees To Provide Turn At Floriston Junction

School Buses Will Be Able To Return Without Farad Trip

John Corbin, district school superintendent, is in receipt of a letter from George T. McCoy, state highway engineer, announcing that the state has approved the adoption of an alternate plan to provide a suitable interchange at Floriston to accommodate school buses and other vehicular traffic.

The alternate plan provides for another bridge over the Truckee River which will make it possible for the big school buses to leave the freeway, make the turn and return to the freeway without going the additional four miles to Farad.

The first plan provided for an interchange but did not take into consideration the narrow underpass where manipulation of the buses would be impossible.

The residents of the Floriston area as well as the school officials and PTA asked for a reconsideration of the plan and this was approved by McCoy. District Superintendent Alan Hart and other state highway officals, and will solve a serious problem for the Floriston residents.

Doe Slayers Are Given Court Fines

William Wentzel, 32, Sacramento, paid a $300 fine and his brother, Robert, 35, of Tahoe City, paid $200 after their plea of guilty to a charge of taking a doe near Truckee on October 5.

The two were arrested by Game Wardens Erwin Single and Gene Durney as they drove onto the Brockway shortcut after hunting in the Shaffer Mill area. At first they protested they had no key to the truck of their car, but later were more cooperative and the wardens found the doe, neatly dressed in the rear compartment.

The two appeared before Judge F. W. Wilson Monday and pleaded guilty.

JOHN MOORE, LOMA SORENSEN ARE WED AT BOSTON RITES

TAHOE VISTA — John Moore and Loma Sorensen, two of Tahoe Vista's favorite young people were married in Boston, Mass., on October 1 at the First Lutheran Church by Rev. Martin Luther Cornell.

The wedding came as a surprise, as John had planned to take a two-year course at Oxford under a Rhodes Scholarship award, and now plans to apply for another grant to continue his studies, which will allow his wife to be with him. Rhodes scholars are not permitted to marry until their courses are completed.

Mr. and Mrs. Eddie Moore of Kings Beach, parents of the bridegroom were in Boston on a vacation trip and Mr. and Mrs. Andrew Sorensen, of Tahoe Vista, parents of the bride, flew to that eastern city and all four attended the ceremony.

A wedding supper was held at the historic Union Oyster House and the party sat at a table which had been installed in 1832 and which has been in constant use The young couple flew to Washington for a honeymoon and later rejoined their parents in Philadelphia.

Both Moore and his bride are recent graduates of the Tahoe-Truckee High School where both excelled in scholastic pursuits, graduating with honors.

While in the east, the Sorensens visited points of interest in New York. The Moores reported an enjoyable three weeks trip in 37 states and two Canadian provinces.

Carnelian Bay Business Asking To Incorporate

SACRAMENTO — Secretary of State Frank M. Jordan announced today a Nevada real estate company, Carnelian Properties Company, has filed articles to become a California corporation, to be capitalized at $55,000 in $500 par shares.

The company listed its California agent and address as Lynn Ribal, P.O. Box 143, Kings Beach.

Boy Scout Drive To Be Launched At Breakfast Tues.

A free breakfast for workers at Smart's at 7 a.m. next Tuesday will mark the start of the fund drive for the Tahoe Area Boy Scouts of America in this district, R. E. Smart, general for the local committee, announced.

Lee Apple and William Sciutto are the two majors assigned and each major will have five captains. Those on the Apple team are Paul Capel, Fosten Wilson, James Walker, Clarence Osburn and James Morhain.

On the Sciutto team are Captains Russ York, C. Z. Smith, William Curran, Wes Sauby and Charles Redd.

Each of the captains will have lieutenants and immediately after the breakfast the drive will commence and it is expected to be completed in one day. The goal is $805 for this community, Smart said.

The general added that it takes $12 per year to sustain one Scout an dthat C. A. Tollefson has agreed to head the list by sustaining 12 Boy Scouts with a donation of $100.

Bond Election To Be Held Tuesday

Five bond election precincts have been set up in the Truckee and Lake Tahoe areas for the election next Tuesday to determine if the voters will approve a $3,040,000 bond issue for the construction of a new college on a new site.

Plans for the new plant call for the erection of 26 classrooms, nine laboratories, a library and two shops, a health center and gymnasium and administrative offices.

Also included is a cafeteria and and student center, and two dormitories to house students living within the district, but who cannot be transported to and from the school by buses, because of distance and snow conditions.

Polls will be open from 7 a.m. to 7 p.m. in each precinct.

Voting places listed follow:

Precinct 1, Brockway, voting at Kings Beach elementary school.

Precinct 2, Tahoe, voting at Tahoe Lake elementary school.

Precinct 3, Truckee and Donner Lake, voting at the Truckee elementary school.

Precinct 4, Soda Springs, Cisco and Summit, voting at Donner Trail School.

Precinct 5, Floriston, voting at U.S. Post Office, Floriston.

NEW SANITARIAN IS HERE FOR DUTIES

Richard L. Walker arrived this week to assume the duties of Area Sanitarian for the Truckee area of Nevada County, replacing Wendell Dungan who transferred to Trinity County.

Walker who was employed in a similar capacity for Los Angeles for 11 years said that he and his wife are well pleased to make the change to Truckee, having previously looked over the community and decided to make it their future home.

Walker said he is a member of the American Legion, having been a past commander of the organization in the south, following his release from the U.S. Navy after World War II and has belonged to civic organizations in southern California.

Walker will maintain an office in the Veterans Memorial Building from 8 to 9:30 a.m., Mondays through Fridays.

Mrs. Walker will join her husband in their new location soon, the couple having sold their house in Los Angeles last weekend.

At Rose Home—

Mrs. Harvey Hocker of Arcata was a recent guest of Mrs. Dave Rose while their husbands were members of a Nevada deer hunting party.

Mother Ill—

Dr. and Mrs. Ben King recently returned from San Francisco where they were called by the serious illness of her mother. Dr. King's mother arrived from Texas to visit with the local family.

To Convention—

Mr. and Mrs. Reg Smart planned to go to San Francisco this week where he will attend the Western States Restaurant convention.

Wake Island's highest point is 21 feet above sea level.

Park Committee Seeks Support In Recreation Area

Recreation Area Asked On Utility District Land Near Truckee

Petitions asking the Truckee Public Utility District to set aside approximately 90 acres of land between State Route 89 and the high school, south of the proposed new freeway, are being circulated by members of the Truckee Park Committee, of which Mrs. Karl Kielhofer is secretary and G. E. Lewis is chairman.

The group asks that the land be retained as a permanent recreation area on which later can be developed a golf course, tennis courts, a swimming pool and other facilities.

A move to finance the development is currently being proposed in a suggestion to the Olympic Organizing Committee to lease the area as a parking lot during the 1960 winter games. Lewis is currently preparing a cost report for the committee and engineers from that organization have tentatively approved the suggestion, but are awaiting the local report.

The purpose of the petitions is to have the utility district keep the area off the commercial market so that it can be used for recreational advantages. The land was originally purchased by the district for that purpose, but since considerable acreage has been sold, much of it to the school district and more for home and business sites.

Sponsors of the plan point out that few areas remain in this region which are so ideally adapted to construction of the facilities planned.

While petitions are not required, the directors of the district have suggested them so that they may be guided by the wishes of the people rather than take an arbitrarey stand.

Previously an area south of the Truckee River was proposed for the purpose of developing a recreation area, but the present location is held to be far superior, more advantageously located, and has the advantage of being partially financed through the proposed parking plan.

Last Rites Held For Donner Lake Man

Masonic funeral services were held at the Truckee Colonial Mortuary Tuesday afternoon at 2 o'clock for Cecil Edward Allison, 61, a resident of Donner Lake for the past five years who expired here Saturday night following a long illness.

Allison was a native of Oklahoma, born November 22, 1895. For the past five years he had been employed as engineer by the Donner Lake Utility Company and was active in affairs in that community.

Besides his wife, Anita, the deceased leaves a daughter, Mrs. Barbara Jean Craig of Oakland and a son, Clinton of El Cerrito. There are three brothers, Floyd of Kentucky, Odis of Denver and Frank of Englewood, Colo. Two sisters are Mrs. Isabel Blunt and Mrs. Dessa Tidwell, both of Oklahoma.

Allison was a member of Rush Springs, Okla., Lodge of Masons and a veteran of the navy during the first world war.

Interment was in the Truckee cemetery. Sincere sympathy from the community is extended the family.

POULSEN TO SPEAK OVER TV TONIGHT

Wayne Poulsen, Squaw Valley land owner, is slated to discuss his "side of the story" in the controversy between him and the State of California over land desired by the latter for staging the 1960 Winter Olympic Games when he speaks over a Reno television station Thursday at 7 p.m.

Sponsors of the games as well as Poulsen are still hopeful that an out-of-court settlement can be made regarding the lands, despite the fact the state has filed a condemnation suit to obtain some 72 acres.

RUSTY'S CORNER IS OPEN FOR BUSINESS

Mr. and Mrs. George (Rusty) Walker will open their Rusty's Corner in the former telephone company office today, giving Truckee its newest business.

The pool hall and fountain are equipped with all new and attractive facilities. The two snooker and two pool tables are the latest Brunswick models, while the 18-stool fountain and back bar were especially designed for the establishment. Everything from the floor to the ceiling has been redesigned and refurnished.

It has taken several weeks to remodel the building but it finally shows the results of careful planning and designing. Mrs. Walker is leaving her position in San Francisco to join her husband here next week.

MANY SCHOLARSHIPS ANNOUNCED LOCALLY

Seniors students at Tahoe-Truckee High School are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to C. W. Sciutto, principal.

The competition is open to high school seniors who are United States citizens and who plan to take the college entrance board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for a GM award.

There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM's National Scholarship Plan may attend any college or university of their choice and pursue any course of study they may select.

Full details of the competition, including registration dates for examination, are available in James Brehler's office.

Scholarships are available, also, from such sources as Sears-Roebuck, the State of California, Union Carbide Company and many more, including local scholarships offered by the Tahoe-Truckee Educational Association, the high school Parent-Teachers Association and Roy Sorensen Memorial Scholarship, presented by the Lake Tahoe Lions Club.

BANK ACHIEVEMENT CONTEST IS OPENED

The more than 350 high schools in northern California were invited today to participate again this year in the state-wide Bank of America achievement awards program.

S. Clark Beise, president of the bank, said that throughout Calinia in excess of 6000 awards in cash, trophies, certificates and ribbons will be presented next spring to outstanding high school seniors.

Nearly 450 winners will receive cash and 20 will gain top awards of $1000 each.

Purpose is to honor scholastic achievement and citizenship and promise of service to society.

Inaugurated 10 years ago, the program in 1957-58 will offer $54,900 in cash. The total is up $10,000 over 1956-57 to allow for information of a new division required by sharply increased southern California high school enrollment.

JOHNSON MAY RUN FOR ENGLE OFFICE

SACRAMENTO (CNS) — State Senator Harold T. Johnson, Roseville, has announced he will be a candidate for congressman from the Third California District, provided the incumbent does not seek reelection.

The seat presently is held by Clair Engle, Red Bluff, who has indicated he will be a candidate for U.S. Senate.

"If Engle clearly steps out of the congressional reelection picture and files for United States senator, I will be a candidate for congress in the second district," Johnson stated.

The district, composed of 19 northern and Mother Lode counties along the Nevada border, has more counties in it than any other district.

Consular offices of 49 foreign nations are located in San Francisco.

All qualified seniors at Tahoe-Truckee High School are being acquainted with these programs through the counseling office at present and all students interested in obtaining scholarships are being encouraged to make early application for qualifying examinations.

ROTARY FELLOWSHIP OFFERED STUDENTS

A year of study abroad as a Rotary Foundation Fellow is the exciting possibility for some student from Truckee, Dick Swanson, president of the Rotary Club of Truckee, announced today. Applications are now being accepted by the Rotary Club for the fellowship, which includes all transportation, education and living expenses for the 1958-59 academic year.

Applications for the Rotary fellowship may be made only through the Rotary Club in the city where the student has his permanent resident. In Truckee application should be made to C. Z. Smith, secretary of Truckee Rotary.

Candidates must be between 20 and 29 years of age. They must have a college or university degree (or they must now be in their senior year), a record of high scholastic standing, and a thorough knowledge of the language of the country in which they propose to study.

They must have the ability to make friends easily, be vitally interested in world affairs, and possess an instinct for leadership.

Rotary fellowships are granted without regard to race, creed or citizenship.

DRIVERS REMINDED OF DUSK MOTORING

SACRAMENTO—With the change back to standard time, dusk is again occurring at the time when most of us are ready to drive home from work, is a reminder released today by the California Highway Patrol.

"The hazards of dusk with its low visibility copled with the peak traffic hours tends to increase the possibility of driver and pedestrian involvement in traffic accidents," declared Patrol Commissioner B. R. Caldwell. "Extreme caution and positive adherence to traffic rules and regulations is a must at these times.

"Everyone can help prevent traffic accidents during the early evening hours by following a few simple rules," Caldwell stated. He listed the rules as follows:

1. Use headlights, not parking lights, as driving lights.
2. Allow extra time to avoid driving at unsafe speeds.
3. Drivers, watch for pedestrians, and pedestrians, keep alert for cars.
4. Drive in the right hand lane on multiple lane highways when driving slower than the normal flow of traffic.
5. Be ready for any emergency that may occur on the roadway ahead.

NEWS NOTES FROM TAHOE

By Naomi McLane

Tahoe City, Box, 711. Juniper 3-3187

Foreign Languages

I think I mentioned some time ago the wonderful idea that different people has had about learning some language enough to be able to greet visitors here at the time of the Olympic games. Of course there could be all kinds of mixups such as saying Hi in Japanese to an Arabian skier but, mixups or not, it is an excellent and cordial idea. A German class is being started this week. Anyone interested in struggling along in that language is most welcome to attend. It will meet this Friday night at the home of Mr. and Mrs. Norman Wilson in Pineland. If you wish more information call Mrs. Ralph Rauscher at Juniper 3-3374 or McLanes at Juniper 3-3187. A class is not started yet in Spanish but several are interested and Al Cavallo at Juniper 3-3190 or Mrs. Hal Farr at Juniper 3-3605 would be glad to have your name and get plans underway for such a class if Spanish is your interest.

Out For Winter

Mrs. Eleanor Swanson, known to all of us as Swanee, is leaving this week for the winter. She will spend two weeks in Reno with her daughter, Mrs. Marie Steenis, and then go to Piedmont to be with the Bud Scotts. And, of course, she looks forward to her return to the lake early next summer.

Killed By Car

Dinty and Robbie Moore were called suddenly to Sacramento this weekend. Joseph Moore, Dinty's father, was struck by a car and killed Saturday night. Funeral services were held Tuesday. We are saddened for the Moores. Their thirtieth wedding aniversary had been celebrated on October 8th and we had hoped to write only of that.

To Oregon

Mr. and Mrs. A. A. Snyder have left for a visit of several weeks in Oregon.

Return Home

Mr. and Mrs. Jack Dunne returned this weekend from a 10-day visit to the same state. Jack reports rains everyday which is not news for Oregon, but they might have saved themselves the trip if it was only rain they had wanted.

Winter At Tahoe

After many summers in Tahoma Mrs. Emily K. Quinn will spend a winter here, at the lake. She has moved into the W. H. Ball home on Lakeview Drive.

On Leave

Roger Holbrook is at home on a 15-day leave from the navy base in San Diego. Visiting with him is a friend from Los Angeles, Ronald Hartmann.

Open Salon

The new Tahoe City Beauty Salon has officially opened this week in the lakeside home of Mr. and Mrs. George Hallifax. Lillian has a beautifully appointed place on the closed porch of the Cooke house near the boat company. George is with the telephone company. They moved here last month from Lodi.

Weekend Guests

Weekend guests of the Bob Jorgensen's last week were Jorgensen's father and mother, Mr. and Mrs. Soren Jorgensen, from Oakland, and his aunt, Mrs. Carl Knudsen from Hayward. They visited Squaw Valley and other points around the lake.

Fire Fought

A fire at Viking Village Gift Shop at the bridge called out the fire department in full force but caused small damage. A beam above the open fireplace got to smoking but was put out in record time.

Work Day Program

A work day program is planned this Saturday at St. Nichols Hall at the Summer Chapel Grounds. Everyone is most welcome to attend and to take part in the noonday potluck. Mrs. Harry Bryan is in charge. Sunday services were held most comfortably because the new furnace was installed Saturday. As a mark of community well being it should be noted that two members of the Catholic Church gave the whole day to this work along with three members of the new young Protestant Church.

Visit Daughter

Mr. and Mrs. Harry Hart from Redondo Beach are visiting their daughter, Mrs. Leonard Bury.

Mike Rich, son of Mr. and Mrs. Charles Rich of the Chat-Bet Motel in Carnelian Bay, celebrated his third birthday October 10 with his parents and his sisters, Ellen, Vickie-Jo, Debbie and Patty Lou.

Eric Poulsen, Brent Bradley and Calvin Bechdolt helped Tony McLane turn six on October 15 at a little party at Tony's home. Refreshments were served after several indoor and outdoor games had been played.

Hostess At Shower

Mrs. Peter Johnson was hostess at a double shower at her home in Squaw Valley Friday night. A baby shower for her sister-in-law, Mrs. Dave Johnson, and a bridal shower for newlywed. Mrs. Joe Marillac was the combination program for the festive evening. Among the guests were the Mesdames Bob Boyer, Bob Frickstad, Terry Tollefson, Mickey Duval, Dorothy McCaskie, Stanley Pugh, Malcolm Fox, Joseph Brower, Wayne Poulsen and Norman Wilson.

Hart Speaks

At a dinner meeting Tuesday night at the Tahoe Inn, Rotarians from both Truckee and Tahoe City heard District Engineer Alan S. Hart of the division of highways, District 3, as guest speaker. Hart stated that the aim of the division of highways is to build Highway 40 into a freeway from San Francisco to the Nevada state line. During a question and answer period Hart said that the express ways now in existence on completed four lines will eventually be converted into freeways in accordance with federal highway requirements. Ninety-one percent of the money now being spent on U.S. 40 is federal money, he stated, and we must comply with federal requirements which specify freeways. Bids for four-laning are expected to be called next month for all work between Colfax and the California-Nevada line with the exception of the portion between Soda Springs and Donner Lake. The reason for not including this latter portion, said Hart, is that it is doubtful if funds wil be available for completing the whole length of U.S. 40 to the stateline by the 1960 Olympic Games and the summit detail would be a one-contract job.

Women's Club

A meeting of board members of the Women's Club of Tahoe is called for Tuesday evening, October 22 at 8 p.m. at the home of the club president, Mrs. Don Snyder. Mrs. Snyder announces that all members of the club are most welcome to attend.

Tahoe-Truckee School District News

KINGS BEACH

Friday, we held our first student body meeting under the supervision of Mrs. Wing, our student body council advisor. The main order of business was the election of student body officers.

The following officers were elected: president, Brad Thompson; vice-president, Estelle Howell; treasurer, Bob Holley; secretary, Karen Critchley.

Each grade will elect two representatives to the student council.

Kindergarten and First: We are all reading in "Three of Us," and working in the workbook.

First and Second: The entire first grade passed satisfactorily in their number test from one to 10. The first grade is studying the primary color words. The second grade is studying new addition combinations.

Third and Fourth: We are making product maps in our social studies unit. Each committee is working on a different type of map.

Fifth and Sixth: Janet Mallory left for Los Angeles for the winter months. We have a new girl, Sandra Rogers.

TRUCKEE ELEMENTARY

Kindergarten: We have started our Halloween costumes, painting Halloween characters on paper suit covers.

We are happy to have Kathleen Collier back with us after a short stay in Sacramento.

First and Second: Second graders receiving a perfect score on the six-week spelling test were: Kathy Gehrke, Kerel Sauby, Michael Kydd, Elgin Johnson, Tommy Romo, Linda Russell, Beverly King, Kathie Hart, Chris Kumle, Victor Rice and David Carpenter.

Second: In our first six weeks spelling test, of 20 review words, Barry Waters, Dennis Crandall, Diane Daly, Pamela Horman, and Phillip Risden had all the words correct. Marion Ayala, Judy Ingalls, Bobby Jennings, Bobby Goldsmith, Wilbur Glenn, Bill Rose, Jennifer O'Bear and Henry Frates had but one or two words wrong.

Fourth: Highlight of the week was the ball game between the fourth and fifth grades, the game ending in a 5-5 tie. Not so the sixth grade, which halted after a 6-0 score with us on the zero side.

Several committees were appointed this week. On the athletic committee are D. Nelson, M. Moore, D. Schreck, W. McLellan, J. Randall and K. Walker. The decoration committee is composed of C. Hintz, D. Douglas, L. Digesti, D. Pankoke, C. Rhoades, and S. Borden. Room neatness is in charge of T. Daniels, J. Besio, D. Maynard, D. Ayala, L. Dobson, K. Kenyon, C. Lewis and R. Russell.

Animal life, varying from Teddy Daniel's snail, to Doug Nelson's chipmunk was on display in our room.

First: Halloween is coming soon. We will decorate our room with funny pictures.

We have had four arithmetic test games this week. Those making the best scores were Patty Forrester, Terry Higgins, Sandra Ferdinand, Michelle DeLisle, Sandra Davis, Monte Neugebauer, Jonathan McLane and Steve Kenyon.

Sixth Grade: Our class has been making flags representing the Pan-American Republics. These will be used for a border in the classroom.

The following children received 100 percent in the arithmetic test on Friday; Leilani Braasch, Rowena Schuler, and Candice Young.

Third Grade: As Halloween enthusiasm mounts, the third graders are beginning their preparations for the spooky activities. Party plans are underway, with Mrs. Braasch as our room mother.

We've had several outstanding class leaders, including Ron Walker, Len Vind, Don Whiteneck, Jack Melugin, Darlene Doolittle, and Eileen Olson. They've been taking turns acting as reminders of class rules and behavior.

Our best speller seems to be Don Whiteneck. He hasn't missed any words during six final tests in spelling. A close second is held by Tim McLane, and other top spellers are Eileen Olson, Susie Olson and Darlene Doolittle.

Fifth: In science, committees have been formed. They are as listed: plants: Judy McGwinn, Wilana Curran, Kenneth Taylor, Patricia Shane and Marcia Leamon, chairman.

Insects: Tom Kenyon and Gregory York as chairman.

Astronomy: Tod Bedrosian, Curtis Funk, David Sarani, Jim Roth, Wade Mosby and Michael Sauby as chairman.

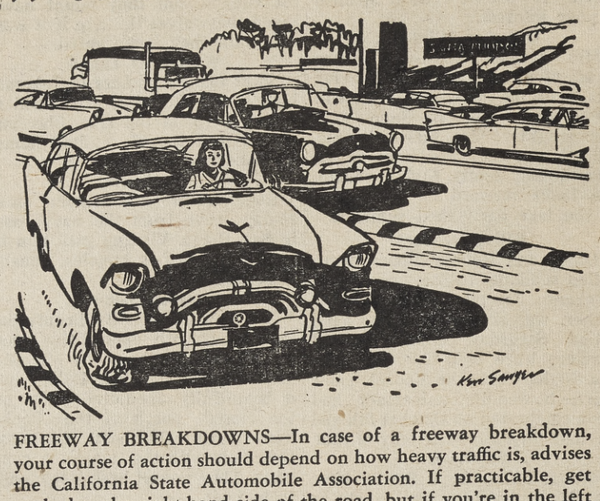
Animals: Linda Banyard, Gloria Bover, Sara Van Sickle and Dennis Douglas as chairman.

Rocks: Steve Davis, David Fordham, Michie Ingalls and Donna Haune as chairman.

Electricity: Dennis Stumbaugh, David Watts, Lynn Quartly, Mike Harris and Daryl Breakfield as chairman.

Machines: Ramsay Mitchell, Gary Jensen and Eddie King as chairman.

Women At The Wheel



FREEWAY BREAKDOWNS—In case of a freeway breakdown, your course of action should depend on how heavy traffic is, advises the California State Automobile Association. If practicable, get pushed to the right-hand side of the road, but if you're in the left lane and traffic is dense, the center divider strip should be utilized. Under no condition should you walk across the freeway. And remember, in case of a flat tire, it's wiser to ruin the tire driving to a safe area rather than stopping in a dangerous place.

BABY CLINIC

KINGSB EACH—A well baby clinic will be held in the Community Methodist Church here each third Friday in every month by the Placer County Health Department, under the direction of Dr. Allen Sklaar.

Many Prominent Men Comprise Transportation Committee For Olympics

Some of the West's leading figures in the field of public transportation have been appointed to the transportation committee of the 1960 Olympic Winter Games, it was announced by Robert DiGiorgio, executive vice president of the winter games organizing committee. They are:

Clarence Young, vice president, Pan American World Airway System.

S. R. Newman, western division sales manager, United Air Lines, San Francisco.

William J. Hanley, district sales manager, Trans-World Airlines, San Francisco.

W. E. Hastings, traffic manager, Greyhound Lines, San Francisco.

Gene Holmes, president, Gray Lines, San Francisco.

Carl O. Olsen, Southern Pacific Company, passenger traffic and public relations manager, central district, Oakland.

John Whiteacre, inspector, Nevada Highway Patrol, Reno, Nev.

J. L. Hancock, division engineer, department of highways, State of Nevada, Reno, Nev.

J. C. Womack, assistant state highway engineer, State of California, Sacramento.

Bernard R. Caldwell, commissioner, California Highway Patrol, Sacramento.

One of the major projects facing this group at present is the unprecedented "airlift" program that will bring simultaneously, a thousand athletes and officials from central pickup points near their home countries to the games in California.

And while this country will literally have a good portion of the entire world included in its airlift program, it is also concerned with the movement of the thousands of cars and buses that are expected to swell the Squaw Valley-Lake Tahoe region during the games, DiGiorgio stated.

Reliable estimates show that at least one-quarter million persons can be expected to pass in and out of the games area during the 12-day period the end of February 1960, and the extensive pool of knowledge and experience represented by this group of recognized leaders will be put to good use in undertakings of this magnitude, said DiGiorgio.

The committee has already had one meeting with organizing committee member, Richard C. Ham, at which time a subcommittee began on preparations for the airlift. Typical of the cities that will serve as central pick-up points are Tokyo, Stockholm, Paris and Vienna—an estimated 350 persons are expected to be picked up in Vienna alone.

TAHOE WEATHER

TAHOE CITY—With 300 csf of water leaving the gates, the level of Lake Tahoe Monday stood at 6227.50. Rain showers have predominated the weather picture, with .67 of an inch of precipitation recorded from Friday through Monday. The temperature has varied from 51 to 32. Clear weather Tuesday was reported.

San Francisco's oldest building, an adobe in the Presidio, is now the Officers Club.

Highway Maintenance Is Subject of Talks With Officials Of 3rd District

State Highway Maintenance Engineer Frank Baxter met yesterday in Marysville at the invitation of key maintenance personnel of District III to discuss problems in that field facing the district. Baxter was accompanied by E. L. Miller, assistant state maintenance engineer.

Discussed during the day-long meeting were general maintenance problems, violation of access on freeways, unlawful drainage onto state highway rights of way, snow removal and control of traffic in snow areas, and violations of the use of litter cans.

Baxter pointed out the use of highway litter cans by householders for the disposal of domestic garbage was causing an excessive cost to the state and such use is contrary to law. "This cost is a strain on funds that could be used for other, more important, highway maintenance," he said. The new law on the use of litter cans enables the highway patrol to issue citations for their wrongful use and subjects the cited person to a fine, he pointed out. The division of highways will also enlist the aid of the various county sheriffs to enforce the provisions of the law.

It was announced thatthe division has purchased two new rotary snow plows of a different type that will be tried out this winter at Echo Summit and in Sierra Valley. The new equipment is mounted on a grader frame and is more powerful and faster than the type now in use. If performance is proved satisfactory, more of this equipment will be placed in use.

No new provisions were added to the present method of traffic control in the snow areas. All maintenance personnel expressed their satisfaction with the splendid cooperation given by the highway ptrol in this matter. Two-way radio communication has been maintained between the highway patrol offices and maintenance crews during the past two years, enabling either agency to call the other to troubled spots.

The meeting was presided over by Roland I. Nicholson, district maintenance engineer. In attendance were: District Engineer Alan S. Hart, assistant district engineer for operations Perry Lowden, District Maintenance Superintendents F. R. Garrison of Woodland, F. W. Fox of Truckee, J. L. Snider of Grass Valley, E. D. Willis of Placerville, and C. W. Rust of Sacramento, assistant district maintenance engineer C. E. Thompson, maintenance superintendent for city projects and equipment coordina- H. T. Bigelow, maintenance superintendent for bridge D. D. Breuning, permit engineer E. J. Numes, equipment superintendent E. R. Clifton, district traffic engineer Blair Geddes and district safety supervisor O. G. Alexander.

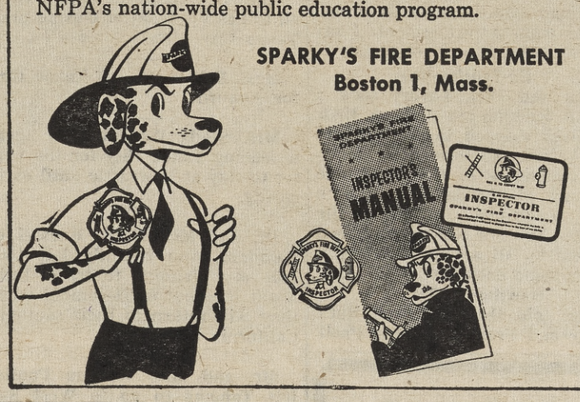
PARENTS

Teach your children fire safety early!

A special fire department for kids has been created by the National Fire Protection Association to help give children a respect for the dangers of fire early in their lives.

Your child can join this wonderful fire department and receive a special instruction manual on how to avoid fires, a special badge and an official membership card. All you do to enroll your young fire prevention expert is to send 25¢ to SPARKY'S FIRE DEPARTMENT, Boston 1, Mass.

Sparky's Fire Department is a non-profit project of the NFPA's nation-wide public education program.



SPARKY'S FIRE DEPARTMENT
Boston 1, Mass.

SURVIVAL SOLDIERS NEED NO LICENSES

RENO—Stead Air Force Base officials reported California Attorney General Edmund G. Brown said members of the armed forces do not need state fishing licenses to take fish during survival training program in California.

Stead carries out survival training at several places in the Sierra Nevada where men are required to live off the land several days at a time.

Such a requirement, Brown held in an opinion, directly would impede the conduct of a federal function.

FALL FESTIVITIES

Mr. and Mrs. Jack Ellis observed their wedding date on October 10. Mrs. Kenneth Hedlund who with her family enjoyed a recent vacation in Utah also celebrated her birthdate last Thursday and their son, Lance, had birthday celebration the following day.

Robert Leamon was the center of attention on his natal date, October 11.

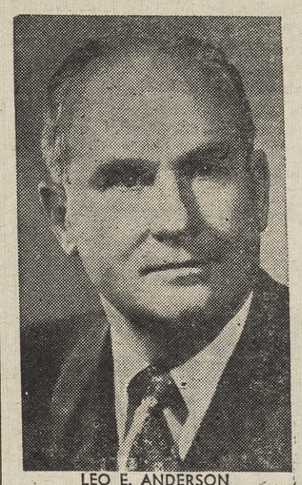
Columbus Day was also the birthday anniversary of James Walker.

ANOTHER NOTARY

SACRAMENTO (CNS)—Secretary of State Frank M. Jordan announced the issuance of a notary public commission to James Martin Howard, Moraine avenue, Truckee.

The San Francisco Marine Exchange has operated continuously since 1851.

CALIFORNIA MASONS NAME NEW OFFICERS



LEO E. ANDERSON
Grand Master of Masons in California

SAN FRANCISCO—Leo E. Anderson of Los Angeles was elected grand master of Masons in California today at the closing session of Grand Lodge, Free and Accepted Masons of California.

Phil N. Meyers of Los Angeles was elected deputy grand master; Joe N. Shell of San Diego, senior grand warden; and Alfred F. Breslauer, attorney of San Francisco, junior grand warden.

Edward H. Eiems of Oakland, and Lloyd W. Wilson of San Francisco were re-elected as grand treasurer and grand secretary respectively, and Albert D. Davis of Berkeley was re-elected as grand lecturer.

PROBE IS STARTED ON TRUCK ACCIDENTS

A probe to determine what combination of mechanical and human failures is responsible for runaway trucks on California highways was begun by the state senate interim committee on transportation, of which Senator Randolph Collier, of Yreka, is chairman.

Collier said one of the purposes of the survey is to find out what percentage of brake failures is due to lack of proper maintenance and what percentage is due to inadequate and poorly designed breaking systems.

"Another objective of the committee," Collier said, "is to find out if more vigorous enforcement of existing legislation would reduce the appalling number of accidents involving trucks on California highways."

Less Hunting Pressure In Coastal Aarea May Add Load In Mountains

SACRAMENTO (CNS) — Reports of less hunter pressure, and a resulting lower deer kill, in the coastal season which has been in progress since early August have done little to allay fears of mountain folks that they may be invaded by deer-hunting legions again this fall.

The departmentof fish and game reported that as of August 23, a total of 9839 deer had been reported killed, as compared to 12,318 for the same period last year.

Hunter pressure definitely has been down in most areas, the department said, for reasons which are not easily explained. As a matter of fact, the hunter success ratio in some areas actually has been higher—meaning that proportionately fewer hunters have been in the field for the reduced kill.

In some of the northern counties, however, the people fear they have the answer to the reduced pressure in the coastal season. As one man put it:

"Last year when the department advertised the either-sex slaughter in northern California and encouraged coastal hunters to save a tag for a doe, surprised to find that deer grow to weigh more than 80 pounds up here and are saving their tags to come buck hunting in the Sierra again."

At this stage in the game, no one can put a finger accurately on the reason for the declining harvest of deer in the coast season. It is difficult to measure hunter pressure to any fine degree.

If the hunter pressure is not down, as the department believes, there may be a chance deer population are down as a result of the either sex hunt of 1956.

SUN ADS GET RESULTS

DUCK POPULATION IS UP 77 PER CENT

SACRAMENTO (CNS) — A total of 2,034,000 ducks—the largest population ever recorded in the central valley areas—was tallied in the annual mid-September survey of the U.S. Fish and Wildlife Service and state department of fish and game.

As reported by Capitol News Service about one week ago, this was an increase of 77 percent over last year's figure — considered good at the time.

The continuous 95-day waterfowl season opens October 12 but the department was quick to point out the mere presence of a record population of birds does not insure every hunter of his limits. Duck hunting is very susceptible to weather and the picture could be changed radically by huge migrations before the season opener.

HOW LUCKY can you get?

It has been said that people make their own "luck." Probably, to a large extent, this is true. Take for example the family that weathers a financial storm because they have savings to fall back on. They are "lucky," for without that nest egg their entire future could be put in jeopardy.

A Bank of America Savings Account is one of the best ways you can prepare for your future. In your own neighborhood Bank of America branch your money is always close to home, absolutely safe and immediately available. And that 3% interest we pay on savings adds up to greater security and peace of mind.

THE EASY WAY TO SAVE!

Take advantage of Bank of America's handy Automatic Savings Plan. Simply authorize us to transfer a specified amount from your checking account to your savings account . . . weekly, semi-weekly, or monthly. All you have to do is make your regular checking deposits and the plan will continue as long as you wish. You save easily, conveniently and—most important—*steadily!*

NORTH TAHOE

By JUDGE HARRY CHARRISON

Going Out

Or I should say gone out for the winter. Addie Free called today to say that she, Doug and young Larry were leaving for Washington, D.C. Their early departure was prompted by the illness of Mrs. Free's father. They will make it their home for the winter and we shall miss them for sure, but wish the best for them and her parent.

Iowa Bound

And today Wendy and Ginger Schumacher have left for Raymond, Iowa. Theyare staying over to spend the evening with Joellyn Ashton in Salt Lake City.

To The Great Beyond

It was with sadness in our hearts to learn of the passing of our old friend, Jack Judy. We had known Jack for quite a number of years at that time he was living in Kings Beach, but for the last few years he stayed around the Salton Sea, for a life of ease. He was particularly known for his business of well digging and he dug most of them in the Kings Beach area. He was noted for his hearty laugh and cheerful disposition. The whole community joins in sorrow that befell Mrs. Eda Judy, his wife, and Carol Howard and Illeda Bill, his daughters.

Visiting The Sick

Earl Gray, realtor, visited his mother in Linton, Ind., who had been sick last week. During his absence, Carrie Gray, his wife was quite sick, but snapped out of it with the care of Dr. Allen Sklar before Earl returned. Now today, Sunday, off they both go again to visit an old friend.

Everything Beautiful

Sunday morning and it is raining gently, the air is just as sweet as can be. Have just returned from a ride with Dave Ashton way up at the beautiful homes that the visitor never sees, away up in the in the hills. One gets a surprise peace and quiet yet overlooking the beautiful lake. Talking about the lake, we came over the grand new highway at Spooners, a four-laner, too, and our first sight of the lake simply took our breath away. The sunset was out of this world, a vivid blue and gold which cast a glow upon the water which was as smooth as glass and a beautiful pink.

Thanks

Mrs. Eda Judy wishes to thank all of her friends for all their kindnesses during the sadness that befell her and the family when her beloved husband passed away.

Anniversaries

The Byron Abbotts and the Ray Ehlers celebrated their twenty-first anniversaries. The John Clacketts celebrated their tenth. Loleta Decker, Johhny Clackett, and Helen Ehlers celebrated their birthdays, in grand style at the Abbott home Dinner was served in the potluck style, and games and cards served as the main entertainment. I say congratulations to all of them.

Ex-Truckeeite

Ruth and Dick Lavery took a trip to Sacramento and on their way back stopped to see Art and Mrs. Leitch, the former the popular ex-manager of the telephone company at Truckee. They are quite accustomed to Placerville now, but Truckee looks pretty good to them by all accounts. You can always come back, Art.

Hawthorne Trip

I am told that Dick and Ruth Lavery and Frank and Mrs. Paoli called on Jobey Lewis in Hawthorne, Nev., and Joby and Helen are going great guns. A beautiful place and lots of business.

Going Out

Miss Peggy Quintal, daughter of Mr. and Mrs. Quintal of Wisconsin, is leaving Brockway on October 20. Peggy has been secretary for the Brockway Water Co. and has done an excellent job .She has been offered a nice position on the Monterey peninsula, hence leaving so soon.

Chief R. Bruce Tillman, U.S. Navy, is visiting at Brockway this weekend. He is with the medical corps. The chief is brother of Iva Claverie, night auditor at the Brockway Hotel.

Halloween Party

Don't forget next weekend, Saturday, to be exact is the big Halloween party at the Crystal Bay Club. Free buffet, prizes, dancing, sponsored by the VFW Post No. 7077.

Grandparents

Mr. and Mrs. J. W. Van Hooser of Kings Beach have their chests out this week, having become grandparents October 14 of a lovely girl born at Los Angeles. The little one's father, Hugh, son of the local couple is in the U.S. Navy, presently in France.

KINGS BEACH CHURCH

Earl L. Langguth, pastor.
Sunday school, 9:45 a.m.
Services, 11 a.m.
Afternoon services, 5 p.m.
Women's Society of Christian Service, Mrs. Lillian Taylor, Tahoe City, president. Meetings first Wednesday of each month.

Tahoe Items

Returning to Westley for several months are Mr. and Mrs. Malin Petz of Sun N Sand at Kings Beach.

John Stetson wrote that his former residence at Balboa Island has been changed to Kings Beach.

Leaving this week are Mr. and Mrs. G. B. Huston of Tahoe City, going to Ft. Bragg.

Palm Springs is the destination for the coming months of Mr. and Mrs. N. S. Noll of Carnelian Bay.

The A. F. Sanfords have returned to Las Vegas, after closing their Tahoe City place.

H. C. Eckles has left Tahoe City for Auburn.

Mrs. Stella Watson once again is leaving Tahoe City for the winter to stay at Newcastle until early spring.

Dr. and Mrs. G. B. Fuessel of Pasadena who recently left the lake are planning to travel until about the first of December when they will return to their southern California home.

Mr. and Mrs. William Poulter left Tahoma to go to West Sacrametno for the coming months.

Leaving Carnelian Bay, Mr. and Mrs. A. J. Ketman have returned to Menlo Park.

The H. R. Johnsons of El Monte recently bought property at Kings Beach, hoping to build a motel in the near future.

FIRST OLYMPIC CONTRACT SIGNED—The first contract covering construction of major buildings and basic installations at the Squaw Valley site of the 1960 Winter Olympics was signed in San Francisco October 7 in the office of Charles R. Blyth, chairman of the California Olympic Commission. The contract totals $2,307,700. Olympic pennant is seen in background. Pictured at the signing ceremony are (l. to r.) Paul B. Young, President, Diversified Builders, Inc., contractors; Blyth, and Prentis Cobb Hale, President of the Organizing Committee for the Games. The contract is part of a $7,990,000 State-financed Winter Olympics building program. All the facilities, and the lands on which they are built, will become a permanent all-year State Park after the international sports classic is held in February, 1960.

DECLINE IS NOTED IN HUNT LICENSES

Hunting license and deer tag sales through August both show declines, the department of fish and game reported today.

License sales through August totalled $235,870, a drop of $47,246 from the sales of the 1956-57 licenses for the comparable period last year. Total reported deer tag sales through August amount to $88,262, a decrease of $17,693 from the figure for last year at this time.

Sales of 1957 angling licenses, however, are steadily increasing. Through August license agents reported 1,146,920 licenses sold. This figure is well ahead of last year at this time when 1,117,500 were accounted for through August. Sales of the 1957 series have amounted to $3,402,054, an increase of $84,516 over the comparable period in 1956.

SHOP IN LOCAL STORES

MORE BIRDS PLACED ON PROTECTED LIST

Hunters who like to plink away at other targets while pursuing deer are reminded by the department of fish and game that all hawks and owls are now on the list of protected birds. Shooting of hawks and owls was prohibited by act of the 1957 legislature.

The list of non-protected birds now include only the following: English sparrows, crows, American or black-billed magpies, California or scrub jays, Steller's or crested jays, and starlings. Any of these may be taken at any time.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT, Counties of Placer and Nevada, State of California, hereinafter referred to as the Owner will receive up to but not later than 8:00 P.M. on the 22nd day of October, 1957, sealed bids for the award of a Contract or Contracts for development of a Portion of the Tahoe-Truckee High School site, and the new Truckee Elementary School Site located directly West and adjoining the High School site, near Truckee, Nevada County, California. Such bids shall be received at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

IN ACCORDANCE WITH THE PROVISIONS of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

CRAFT CLASSIFICATION	Hourly Wage Rate	Per Diem Rate	Holidays & Overtime
Laborers	$2.505	$20.40	*
Plumbers	4.50	36.00	$9.00
Power Grader, Power Planer, Motor Patrols or any type Power Blades	3.55	28.40	*
Truck Drivers:			
Dump Trucks & Dumpster Trucks:			
Under 4 yds. (water level	2.30	18.40	
4 yds. & under 6 yds. (water level)	2.45	19.60	
6 yds. & under 8 yards. (water level	2.50	20.00	
8 yds. & over (water level)	2.70	21.60	
Water Trucks:			
Under 2,500 gals.	2.50	20.00	
Over 2,500 gals.	2.60	20.80	
Tractors	3.33	26.64	*

OVERTIME: Saturdays, Sundays and Holidays—time and one-half unless otherwise shown.

* Time and one-half except Sundays and holidays, which shall be at the rate of double time.

Each Bid must conform to the Requirements of the Drawing and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the Office of the Architect, GORDON STAFFORD, 1024½ J Street, Sacramento, California, and at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40, near Truckee, California.

No bid will be considered unless it is made up on a form provided by the Archtect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and|or waive any irregularities or informalities in the bidding.

Dated the 1st day of October, 1957.

JOHN S. CORBIN,
Secretary of the Governing Board
of the TAHOE-TRUCKEE UNIFIED SCHOOL
DISTRICT, Placer & Nevada Counties,
California.

DECLINE IN DEER IS SHOWN BY REPORT

SACRAMENTO (CNS) — The Sierra deer season—which opened with a bang as far as early buck tag returns—has shown a decline as tag returns begin to set more of a pattern.

While the report at the end of the first five days showed the buck kill up nearly 50 percent from a year ago, reports at the end of the second week showed a drop from 18,020 last year to 16,273 so far this year. Twenty counties reflected a lower buck kill than 1956.

The biggest drops were in the three biggest, northern deer counties and no doubt will provide considerable fodder for the critics of the department of fish and game who claim the department's big game policies are decimating the state's deer herds.

However, the department said last year's either sex hunt, even if it had caused a serious reduction in animals, would not show up at least until the 1958 season.

The three major counties reflected these decreases at the end of nearly two weeks: Lassen, down from 2221 to 1544; Modoc, down from 2323 to 1682; and Siskiyou, down from 2019 to 1500.

Other counties in the late season showed these totals (1957 figure first, -1956 figure second):

Alpine 979-969; Amador, 146-164; Butte, 472-412; Calaveras, 214-205; El Dorado, 487-431; Fresno, 912-884; Glenn, 256-225; Humboldt, 779-671; Inyo, 111-145; Kern, 257-273; Madera, 427-434; Mono, 956-724; Nevada, 431-380; Placer, 264-297; Plumas, 775-908; Riverside, 101-85; San Bernardino, 209-232; San Diego, 270-314; Shasta, 848-945; Sierra 385-400; Tehama, 546-588; Trinity ,437-526; Tulare, 612-531; and Tuolumne, 418-401.

HUGE SUMS SPENT ON U.S. HIGHWAY 40

A total of $22,041,083 has been spent on highway construction in District III since the first of the year, District Highway Engineer Alan S. Hart said in Marysville. This figure does not include funds spent for storm damage repair, maintenance or buildings and plants.

The value of the work done in the past month, Hart said, was slightly in excess of $4,100,000. The major expenditures during this time were on Highway U.S. 40 where seven large projects were underway. The remainder of the funds were spread through the 11 counties that make up District III.

With more than three months remaining in the current year, and although winter weather will curtail construction work during this period, it is anticipated this will be the largest construction season experienced by the district, Hart said.

LOCAL STUDENTS AT COLLEGE ARE BRIEFED

Tahoe-Truckee students attending Sierra College were briefed by President Harold Weaver last week on procedures of applying for benefits provided for students living beyond commuting distance of the college.

The benefits include free weekend roundtrips home by commercial carrier and a sum of $40 per month, per student, to be applied toward the cost of room and board.

A special fund of $5774 for this purpose has been included in the Sierra College operating budget for the current school year in the interests of making high education available to every interested young person regardless of distance obstacles.

Students from the Tahoe and Truckee areas affected by this ruling are Sally Axup, Faye Peel, Anita Antillon, Nelda Stone, Dean Herzog, Roger Halbert, Bob Trask Wes Ball, Bob Sanford, Jerry Brown, Jeff Schmidt, Jennifer McCaskie and Bill Wright.

CHRISMAS CARDS— It's time to select personalized Christmas Cards at the SIERRA SUN. Many designs in the seven lines being offered. Come in today. tf

Wolverines Beat Loyalton 51 To 6

by JOHN FIRPO

The Tahoe-Truckee Wolverines won their first football game of the season last Saturday as they dumped the Grizzlies, 51-6 at Loyalton. The Wolverines have a one win, three losses and one tie record at present.

The Wolverines scored first on a 25-yard run by Dean Holbrook making the score 6-0. Capitalizing on a Loyalton fumble, the Wolverine's Fred Shultz picked up the ball and ran the remaining distance for the TD. After another score making it 19-0, Loyalton came up with their only score when they recovered a Wolverine fumble on the three-yard line. The halftime score stood 19-6 in TnT's favor.

In the third quarter neither team could score. Then the roof fell in on the Grizzlies, the Wolverines piled up 32 points in the fourth quarter. The game ended 51-6, Wolverines.

Buzz Trainor, who played a great game at guard, was shifted to fullback and in three plays made one touchdown and 49 yards. Craig Robinson played a fine game also completing five passes in nine attempts of which resulted in 133 yards. Dean Holbrook gained 88 yards towards the victory also.

Schull, Donaldson, and L. J. Robinson were terrific on defense. The game also saw everyone playing for the Wolverines.

Coach Drakulich's Wolverines will go up against the Lovelock Mustangs in their second conference game this season. Game time is set for October 19 at 2 p.m. The game will be the annual homecoming in which a queen will be chosen to reign over the game.

It was not such a good day for the JV "Cubs" on the other hand as they dropped their first game of the season to the Loyalton Grizzlies, 19-16.

BEEFY BABY—Cordelia the calf seems to be an unhappy Hereford as she is welcomed to the ranch at Hanna Boys' Center by a young resident of the Western "boys' town" near Sonoma, Calif. The mournful calf brings to 100 the number of animals donated to Hanna Center by California and Nevada ranchers. Looking on is Rev. Thomas F. Regan, associate director, who heads the ranch program.

HAWAII KAI III WINS LAKE MEAD RACE

LAS VEGAS—Hawaii Kai III, national unlimited hydroplane champion piloted by Jack Regas of Livermore, Calif., won her second straight Sahara Cup championship Sunday with a total of 1100 points in thetwo-day event on Lake Mead.

Miss U.S. IV of Detroit, driven by Don Wilson, grabbed second place with 750 points, to edge Hawaii Kai's rival, Thriftway Too of Seattle, which was third with 700 points. Miss Bardahl, another Seattle boat, owned by Norman Christiansen and driven by Norm Evans, was fourth with 625 points.

PATRONIZE LOCAL STORIES

RED CROSS BOARD IN MEET AT SCHOOL

A board meeting of the Truckee Chapter of the American Red Cross was held October 8 at the high school for the purpose of planning the future program. Board members present were Mrs. Benetta Sciutto, chairman; Mrs. Arlene Roth, treasurer; Father P. J. O'Neill, Mrs. Gladys Pedley, Mrs. Consuelo Diaz and Edward Trask.

The board promises a well-organized swim program next summer and local first aid classes this fall. Refresher courses for instructors will be held in Auburn at a date to be announced. The next meeting will be held in the high school on November 12.

TREE CUTTERS ARE WARNED ON LAWS

KINGS BEACH — Cutters and dealers in Christmas trees have again been warned by Judge Harry Charrison of the new Placer County ordinance affecting the industry.

A notarized permit from the owner of the land on which trees and shrubs are cut must be obtained from the judge of the judicial district. For the North Tahoe area that would be Judge Charrison at Tahoe City. The court will require a legal description of the property, the name of the owner and the exact location of the land.

Other information required is the highway over which the trees are to be transported and the date. There is a $2.50 fee for each permit issued and this price includes necessary shipping tags. No person is permitted to transport more than five native trees or more than five pounds of shrubs without first obtaining a permit. The penalty for violation has been set at $500 fine or six months in jail.

TAXABLE SALES IN COUNTY SHOW DROP

SACRAMENTO (CNS) — Twenty of California's counties, including Nevada, showed drops in taxable business during the April-June period of 1957 as the quarter marked the second time the $5 billion mark was passed.

The 20 counties accounted for about one-eighth of the state's business for the period.

Trinity County, scene of a huge construction project, continued to outdistance the field, percentage-wise, with a gain of 55.4 percent over the same quarter of 1956. The biggest drop was in Humboldt County, where taxable transactions slumped by 25.5 percent from the same period in 1956.

Nevada County's taxable retail sales of $4,808,000 produced $144,240 in the 3 percent state sales and use taxes. This amounted to .09 percent of the state total and was 3.5 percent lower than the amount for the same period of 1956.

Statewide, sales for the quarter showed a gain of 7 percent over April-June of last year.

COUNTY SHARES IN ROAD USE TAX FUND

SACRAMENTO (CNS) — State Controller Robert C. Kirkwood announced that highway users taxes totaling $27,102,876 were apportioned last month for highway expenditures in the cities and counties, including $22,314 for Nevada County.

The September apportionment consisted of money received in highway users taxes during August. The counties received $6,394,064, cities $2,574,651, and the state highway fund $18,134,161.

Kirkwood said the September apportionment showed a decrease of $434,892 from that of August, and was down $1,516,412, or 5.3 percent from September of last year.

Thereare three 12-foot traffic lanes on each deck of the Richmond San Rafael Bridge.

Eighteen bay area labor unions and other volunteers donated 13,000 hours of work to rehabiiltation of the sailing ship Balclutha now at San Francisco's Pier 43.

CHURCH PROPERTY DONATED IN LASSEN

Valuable "downtown" properties on which the six churches of Westwood, in northern California, have stood for 50 years or more, were deeded, free and clear of all encumbrances, to the local congregations or corporate bodies of each denomination or faith, in public ceremonies last Sunday afternoon in the town square of this once famed Lassen County lumbering community high in the Sierra Nevadas.

Recently re-born and re-named "Greater Westwood," this 750-acre townsite is reportedly fast being popularized as "America's new recreational frontier."

Presentation of the church properties marked the first time in California's colorful history an entire town has been given church land at no cost or expense to the church or local congregation.

Kathie Hart Is Feted On Seventh Birthdate

Mr. and Mrs. Deloy Hart, assisted by Mrs. Don Schuler entertained last Friday with a dessert and Donner Theater party in honor of the 7th birthdate of Kathie Hart.

The little girl opened presents and shared the event with the following friends: Mary Ann Moore, Dave Carpenter, Dave Higgins, Diane Patterson, Diane Daly, Pamela Horman, Susie Schuler, Victor Rice. Beverly King, Linda Russell, Karel Sauby, Bob Goldsmith, Michelle Harris, Jenifer O'Bear, Shirley Patton and Carol Hart.

TOM RUTHERFORD EXPIRES AT RENO

Funeral rites were held last weekend for James Tyrrell (Tom) Rutherford, well known Reno attorney and a native of Truckee, who expired after a long illness.

Rutherford was a member of a pioneer Truckee family and went to practice law in 1926. He was active in civic and fraternal affairs.

Surviving are his widow, Mrs. Betty M. Rutherford of Reno; a son, Donald Stuart Rutherford, a student at the University of California at Berkeley; two sisters, Mrs. E. C. Woodward of Berkeley and Mrs. W. O. Bentley of Portland, Ore., and a brother, John T. Rutherford of Berkeley. Several nieces and nephews also survive.

Heavenly Valley Files

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the Heavenly Valley ski area at the south end of Lake Tahoe has filed articles of incorporation with his office, to be capitalized at $1.5 million in $10 par shares.

The company listed ts directors as George S. Canon, Al Tahoe; Chris J. Kuraisa, Tahoe Valley; and Rudolph S. Gersick, Bijou.

Attend Convention—

Constable and Mrs. N. F. Dolley and Judge Fosten Wilson returned Monday from Santa Monica where they attended a convention for constables and justices of the peace throughout California.

Tarzan®

by EDGAR RICE BURROUGHS

APPARENTLY KILLED BY THE PIRATE'S GUNS, TARZAN SLOWLY SANK BELOW THE SURFACE OF THE WATER...

THE APE-MAN, HOWEVER, WAS VERY MUCH ALIVE, AND EMERGED OUT OF VIEW BY THE SHIP'S STERN-- UNHURT!

HE CLUNG TO THE GNARLED HULK FOR SEVERAL HOURS. THEN, SPOTTING LAND, HE MADE A DESPERATE BID FOR FREEDOM!

FINALLY, AFTER AN EXHAUSTING SWIM, HE STAGGERED TO THE SAFETY OF SOLID GROUND-- 10-20-1389

BUT, SUDDENLY, AN ANGRY VOICE LASHED OUT FROM BEHIND SOME ROCKS...
"DON'T MOVE!"

Copr. 1957, Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat. Off.
Distr. by United Feature Syndicate, Inc.

TO HIS DISMAY, TARZAN SAW A SCOWLING WHITE MAN AND SEVERAL ARMED NATIVES. AFTER HIS MIRACULOUS ESCAPE FROM THE PIRATES-- NOW THIS!

THIS IS THE FIRST NEW NOTE IN PUBLIC OPINION POLLS SINCE THE INVENTION OF THE PENCIL, MR. BLABBER—

EXCELLENT, HINGELY—WHO WOULD REFUSE TO ANSWER A QUESTION PUT TO THEM BY SUCH ATTRACTIVE POLLSTERS?

ALL RIGHT, GIRLS—TO THE ATTACK! YOU HAVE YOUR QUESTIONS, AND THE WORLD IS YOUR OYSTER. REPORT BACK HERE AT FOUR SHARP!

WHAT IS YOUR OPINION ON THE AMERICAN WOMAN?

THEY'RE GORGEOUS, DESIRABLE AND GIVE ME A POWERFUL FEELING THAT IF I DON'T GET TO KISS ALL OF THEM—

—I'LL DIE UNHAPPY!

HAPPY HUNTING IN THE GREAT BEYOND, CHIEF!

BUT I (PANT) HAVEN'T ANSWERED ALL YOUR QUESTIONS, YOUNG LADY!

OH (GASP) YES YOU HAVE!

RETIRED GENTLEMEN CLUB

WELL (CHUCKLE) OUR BEAUTEOUS LITTLE POLLSTERS OUGHT TO BE HOME WITH THE BACON ANY MINUTE NOW!

I THINK I HEAR THEM COMING IN NOW, MR. BLABBER!

WHAT (GROAN) HAPPENED, HINGELY—WHERE DID WE GO WRONG?

THEY'VE ALL RESIGNED IN A (CHOKE) BODY! AS I WAS LOSING CONSCIOUSNESS I HEARD ONE OF THEM SAY, HOW COULD SHE TAKE A POLL WHEN THE MEN ASKED ALL THE QUESTIONS?

I NEVER WENT TO A DINNER PARTY B'FORE—-

LINDA COOPER SAYS IT'S MORE GROWN UP TO HAVE COMPANY F'R DINNER!

HAVE A GOOD TIME AND DON'T FORGET YOUR MANNERS——-

HI, LINDA!

ARE WE THE FIRST ONES?

YOU'RE THE **ONLY ONES**—! —I JUST WANTED TO HAVE **YOU** FOR DINNER TONIGHT—!

WE'RE HAVING SOMETHING REAL SPECIAL—TOO!

DO YOU LIKE SQUABS?

I DUNNO— WHAT'RE SQUABS?

PIGEONS!

PIGEONS? OH—WE *LOVE* 'EM, DON'T WE, PAT?

SURE! WHEN THEY DON'T TAKE OUR PEANUTS AWAY FROM THE SQUIRRELS!

WHAT'S THE MATTER—? I THOUGHT YOU *LIKED* SQUABS--

I **DO**— B-BUT NOT ENOUGH TO **EAT** 'EM!
